21 gold-glossed training supports in every condition. Test gold gloss is not a target input.

Tsez: Qwen 445 rows; Gemini first 99. Gitksan sources share one baseline per model/method.

Lezgi: 87 generated rows include 3 invalid references; use separately labelled 84/83-row sensitivity tables.

Source: reports/matched_gold_v2/condition_catalog.tsv and reports/matched_gold_v2/audit.json. Luna and MTOB are outside this matrix.
